

## QUALITY & ENVIRONMENTAL POLICY

HellermannTyton Data is part of HellermannTyton Group PLC, a multinational world leader in providing Network products into a global market. We recognise the importance of good Quality, and Environmental practice in all our processes.

To achieve this and our business mission, we operate management designed systems that address: the requirements of our customers, whilst respecting the needs and safety of our employees and the environment in which we operate; ISO9001, ISO14001 and other relevant standards. This applies to our UK manufacturing and distribution activities.

### Our policy is:

- To meet all product quality and environmental legal and other requirements appropriate to our business.
- To control, reduce or eliminate any actual or potential hazard or pollution.
- To continually improve the performance of our company by setting and reviewing management objectives.
- To maintain the awareness of all staff about the company's policy and their understanding of how it affects them with regard to quality and environmental issues.
- To provide interested parties with relevant and appropriate information.
- To ensure these aims are achieved by the use of appropriate procedures and management systems that will be systematically monitored, audited, reviewed and improved.

This policy, and the procedures that extend from it, are approved by the undersigned and must be adhered to by all personnel.
