

Installation Devices

	Page
4.1 HelaCon Plus	
Connectors	
• HelaCon Plus	443
• HelaCon Easy	445
• HelaCon Lux	447
4.2 Mounting Devices	
Down light mounting device	
• SpotClip	448
4.3 Cable Installation System	
Rod Sets	450
• Rod Sets	
• Rod Sets - Rod Pairs	450
• Rod Sets - Cable Grips	451
• Rod Sets - Further Accessories	451

	Page
4.4 Electrical Tapes	
Electrical Tapes PVC	
• HelaTape Flex 15 - all purpose PVC tape	452
• HelaTape Flex 1000+ premium PVC tape	454
• HelaTape Flex 2000+ premium PVC tape for higher mechanical demands	454
• HelaTape Flex 20 - PVC tape for higher mechanical demands	455
• HelaTape Flex 23 - PVC tape for higher mechanical demands	455
• HelaTape Flex 40 - PVC tape for higher mechanical demands	456
• HelaTape Wrap 25 - PVC tape for corrosion protection	456
HelaTape Power - Rubber and high voltage tapes	
• HelaTape Power 310 self-amalgamating, conductive tape for high voltage shielding	457
• HelaTape Power 320 - tinned copper shielding tape	457
• HelaTape Power 410 - arc and fireproofing tape	458

Installation Devices

	Page
• HelaTape Power 420 - thermal class fabric tape	458
• HelaTape Power 600 - self-amalgamating low voltage tape	459
• HelaTape Power 600 self-amalgamating low voltage tape	459
• HelaTape Power 750 - medium voltage mastic tape	459
• HelaTape Power 800 - self-amalgamating silicone high voltage tape	460
• HelaTape Power 810 - self-amalgamating high voltage tape	460
• HelaTape Power 820 - self-amalgamating high voltage tape, linerless	461
• HelaTape Power 900 - self-amalgamating high voltage tape	461
