5.1 Technical Information	
Label Selection	466
• Bonding properties of labels	468
• Effect of surface energy on bonding properties	469
• The material combination is the decisive factor	469
• Instructions for using cable markers with protective laminate	470
• Interesting facts about thermal transfer films (colour ribbons)	471
• Interesting facts about thermal transfer printing	472
Label Selection Guide	
• Heat Shrink - Cable Diameters	473
• Self Laminating Labels - Cable Diameters	474
• Self Laminating Labels - Cable Diameters	475
Material Specifications	476
5.2 Wire and Cable Markers	
Shrinkable Wire Markers: "Ladder Style", thermal transfer	
• ShrinkTrak	479
Shrinkable tubing 3:1, continuous, thermal transfer	
• TULT, UL listed	481
• TCGT	483
Shrinkable tubing 2:1, continuous, thermal transfer	
• TLFx	485
Identification tags for cable bundle, continuous, thermal transfer	
• TIPTAG	487
• TIPTAG PU for high temperature	488
Identification tags for cable bundle, continuous, thermal transfer	
• TIPTAG VA	489
Self-laminating labels, thermal transfer	
• Material 1209 (White-Clear)	490
• Material 320 (White-Clear) high temperature	491
• Material 322 (White-Clear) high temperature	491
Self-laminating labels, laser	
• Material 1104 (White-Clear)	492
• Material 1105 (White-Clear)	493

Self-laminating labels, dot matrix	
• Material 1301 (White-Clear)	494
Self-laminating labels, manual marking	
• RiteOn, Starter Pack, Material 1401 dispenser	495
Pre-printed Cable Markers	
• Helagrip, chevron cut	496
• Ovalgrip, straight cut	499
• WIC, snap on	501
• ABR-Markers	504
Identification ties and plates for marking cable bundles	
• Arrowtag	507
• Identification Markers Q-tags	508
• IMP Plates	509
• IT Ties	510
Adhesive labels for plates and tags, thermal transfer	
• Material 1210 (White)	511
• Material 1211 (Yellow)	512
Carrier Marking System, laser	
• Helafix HC Carriers	513
• Helafix HFX Labels	514
5.3 Control Panel Labelling	
Labels for control panel identification, thermal transfer	
• Helatag 1211 (Yellow)	515
• Helatag 1212 (Yellow) removable	515
• Helatag 1216 (White)	516
Labels for control panel identification, laser	
• Helatag 1102 (Yellow)	517
• Helatag 1101 (White)	518
Cotton Cloth Labels, Manual Marking	
• Material 270 (YE)	519
• HELASIGN, Material 270 (Yellow), A4 Sheets	520
• HELASIGN, Material 265 (White), A4 Sheets	521

5.4 Industrial Identification	
Type label identification, thermal transfer	
• Material 1204 (Silver)	522
Asset identification label, thermal transfer	
• Material 1206 (White)	523
Component labelling, thermal transfer	
• Material 1210 (White), for rough surfaces	524
Asset tracking labels, thermal transfer	
• Material 1205 (White), removable	525
Type label identification, laser	
• Material 1103 (Silver)	526
• Helatag 1102 (Yellow)	527
• Helatag 1101 (White)	528
Warehouse labelling, thermal transfer	
• Material 1213 (Yellow)	529
Identification of pipes for thermal printing	
• Material 1213 (Yellow)	530
Identification of parts and circuit boards, thermal transfer	
• Helatag 823 (White)	531
• Helatag 917 (Yellow)	531
5.5 Security Labeling	
Tamper evident security labelling, thermal transfer	
• Material 1203 (Silver)	532
• Material 1208 (White), fragmenting	533
• Material 951 (Silver), 2 parts	534

5.6 Hazardous Area Identification	
Stainless Steel Printing System	
• M-BOSS System	535
• M-BOSS Print Service	536
• M-BOSS Lite Markers	537
Stainless Steel Marking System, manual	
• Hellermark SSM	538
Protective Laminates, thermal transfer	
• Helatag 1207 (White-Clear)	539
• Helatag 321 (White-Clear) chemical resistant	539
5.7 Printers and Software	
Thermal transfer printer	
• TrakMark DS, Double Sided	540
• TT4000+	541
• TT420+ Entry Level Printer	542
Selection matrix to find the right combination of material, ribbon and labels to suit your application	543
Thermal Printer Ribbons for adhesive labels	
• TT822 - Smudge, Scratch, Oil and Benzene Resistant	544
Thermal Printer Ribbons for Heat Shrink	
• TTRW:- Limited Smudge Resistance	545
Thermal transfer printer accessories	
• S4000 Cutter	546
Labelling Software	
• Tagprint Pro	547
